Model 400 DOC – Drive Up On Concrete Payment Drop Box

The pedestal base is 12x12x30 inches high and the 4 hole pattern is 1/2D x 9 inches on center. The cabinet is 12x8x22 inches high.

Model 400 OC utilizes a "surface mount" concept which causes the slot height to be at the ADA accepted height of 45 inches from the base of the pedestal.
